### 24 Hour Loaner Program

We know that time is critical when it comes to neonates; this is why we makes sure you can be prepared even if your equipment is out of order.

- If at any time, your transilluminator is inoperative due to necessary repairs, we offer a 24 hour loaner program.
- [Contact us](#) and we will express ship (**free of charge**) a Pediascan<sup>®</sup> or Maxiscan<sup>®</sup> to be used until the original transilluminator has been repaired.
